

The following table summarizes the student support programs, services, and activities offered by location and modality. It also indicates if each service, etc., is offered by a staff member permanently located at the site (PS), a staff member that routinely visits the site on a rotating basis (RS), via online resources (OL), or if the service is not applicable to the target group (NA). For example veteran’s services is not applicable to high school students. Additionally, it should be noted that all students have access to online resources and/or can call or make appointments with personnel at the Blountville (main) campus.

<sup>1</sup>Gray is located less than seven miles from the Blountville (main) campus. Many of the services are shared between these two sites.

<sup>2</sup>To include the NeSCC Mountain City ITV campus.

<sup>3</sup>The Center for Students with Disabilities offers services at all campuses and via all modalities, as requested by students with documented needs.

<sup>4</sup>Services provided on a rotating/as needed basis by NeSCC staff as well as by site-based high school counselors. High school counselors meet with NeSCC personnel at least annually to review information and/or receive training.

<sup>5</sup>Provided by trained high school staff. NeSCC staff are available to assist, if requested.
